Bring the Galactic Zoo to your school.

A live, very silly, slightly chaotic author visit. Safety, as ever, not guaranteed.

WHAT HAPPENS

- **Read-aloud**
  A lively rhyming reading of The Galactic Zoo (with voices).
- **Q&A**
  Where ideas come from, how books get made, and what an author actually does all day.
- **Design an alien**
  Every child invents a new creature for the Zoo, using the free activity sheets.
- **Book signing**
  Signed copies for families who'd like one.
